PAINTING WITH CONTEMPORARY TECHNIQUES

Contemporary Art generally includes all movements from the second half of the 20th century to today. The course aims to introduce the student to the use of new artistic languages through the study of contemporary materials and painting techniques. During the course will be given ample space for experimentation and creativity. In fact, students will learn to use modern work tools such as spatulas, rollers, sponges and much more to paint and develop their own language and style.

PROGRAM

- Introduction to the use of support materials: papers, canvas, wood, metals, plastics
- Traditional colors and industrial colors
- Use of various tools to paint: brushes, spatulas, rollers etc.
- Mixed techniques: sponge, preparations with natural and industrial materials, use of various types of gypsum, powders and glues
